To
The Secretary to Government,

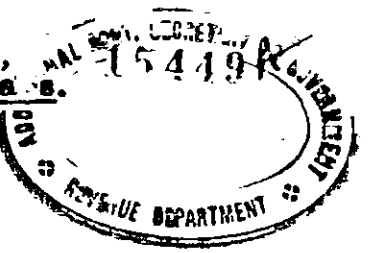
Madras.



Through
The Collector,
Bellary.

Sir,

Sub:-Veerasaiva College - Construction of new Building in Government Site Survey No.969/1 at Contonment area, Bellary - Permission to enter into the site and start construction pending finalisation of Alienation formalities - sought for.

I have the honour to state that the Madras Veerasaiva Vidyavardhaka Sangha, Bellary has started the Veerasaiva College in 1945. Now the Management wants to construct new Building for the College. The Government is giving 50% of the cost of new Building as building grant for the Management as a very special case considering the necessity for a College in this Backward District.

A site of about 101 Acres in the Survey No.969/1 in the Contonment area of Bellary was selected by the Management and the Collector of Bellary was approached for the alienation of site in favour of the Sangha. The Collector after due inspection and after obtaining formal Resolutions of the Management was pleased to recommend to the Board of Revenue for alienation of site. The Board, has subsequently, asked for certain clarifications and the clarifications are being submitted by the management, a copy of the Board's reference is herewith enclosed for favour of information.

As the construction work has to be started at the earliest
portunity in accordance with the latest directions of the
vernment, please Vide Government Memo No.9410 G2/49-29 Edu-
tion dated 17th February 1950, a copy of which is herewith
closed and also in order to facilitate the management to
ow an appreciable progress of construction work to obtain
filiation from the Madras University for the continuance of
e college for the next academic year, I request that necessar
ders may kindly be issued permitting the management to enter
to the above site and start construction work pending the
nalisation of alienation formalities which it is apprehended
ght take a few months' time.

Considering the urgency of the matter, I once again request that the Government would be pleased to pass - orders granting permission to enter into the site and to start construction work on it.

Thanking you,

I have the honour to remain, Sir,
Yours obediently,

Y Mahabaleswarappa

The attention of the Collector is invited to para 1 of G.O.No.Ms 2692 Revenue dated 5th October 1938 under which land revenue should be collected in respect of lands required for the construction of buildings for the occupation of which rent will be charged by the schools e.g. land required for hostels and teachers quarters. The alienation in the present case is said to be for hostel, quarters and tenements also. The Collector reports that the alienation will not derive any income from it.
